## Getting there by public transport:

The best way of reaching the Lumberg office by public transport is by **train** (SMRT) and then by feeder bus.

The nearest SMRT station is **EW 21 Buona Vista**. After getting off from the train station, cross the overhead pedestrian bridge and walk over to the second bus stop, the one immediately in front of the Ministry of Education building.

Take an **SBS feeder bus number 91** and alight outside Block 26 Ayer Rajah Crescent. There is a sheltered walkway to our Block 26, a 1 minute walk.

Please note that service 91 runs approximately every 15–20 minutes with the last bus running at around 8.05 pm. There is also **no service** on Sundays and public holidays.

You may alternatively catch a **taxi** from the taxi stand immediately outside the Buona Vista SMRT train station. The cost of the taxi ride should not be more than S\$ 4.00.
