

Explanation of product designations

Lumberg offers a wide range of connector systems. To name a desired part precisely, further pre-defined specifications are added to the type name, e.g. for

- pole number
- keying
- colour
- special materials
- special terminal size
- special contact finish
- packaging.

Contact us, we will be pleased to support you.

Examples

Designation	Type	Poles	keying	Materials	Colour	Terminal size	Contact finish	Packaging
MICA 04 A VP3	MICA	04						A VP3
3111 01 L	3111					01		L
3542-1 02 K32S01	3542-1	02	K32			S01		
3541 04 K30	3541	04	K30					
3611 03 F21K32	3611	03	K32		F21
