

PRESS RELEASE

Lumberg Group expands Management Board: Alexander Gotta appointed Managing Director

Schalksmühle, 01.06.2020. With immediate effect, Alexander Gotta is appointed Managing Director of Lumberg Holding GmbH & Co. KG and Lumberg Connect GmbH. Gotta, 46, who has been with the company since 2015, is responsible for the areas of finance, controlling and sales in the position of Chief Financial Officer (CFO), the Commercial Director of the Lumberg Group. Here he complements the management team of Managing Partner Meike Schmidt and her husband Ulrich Schmidt.

Alexander Gotta, born and raised in Rödermark, Hesse, studied business management with a focus on Business Planning & Controlling as well as Organization & Data Processing at the University of Applied Sciences in Düsseldorf. From there, he graduated as a Diplom-Betriebswirt, or certified business economist. In addition, he later acquired a diploma as a Controller through a training program of the Controller Akademie AG in Gauting near Munich, which he obtained during a part-time course.

Before joining Hahn Consultants, a consultant with focus on SMEs, as an advisor in 2004 and being issued with a power of attorney in 2009, he worked for a few years at the organizational and controlling consultancy Rölfs Partner in Düsseldorf, an accounting and consulting group which in terms of size is amongst Germany's Top 10 and nowadays does business as Baker Tilly. This stop was interrupted by a one-year stint in USA where he was also enrolled at the University of California in Berkeley in San Francisco.

About Lumberg Group:

The Lumberg Group, headquartered in Schalksmühle, Germany, ranks among the leading providers of connector and interconnect systems. Core areas of expertise include R&D, manufacturing and the worldwide sales of electromechanical and mechatronic components. For 87 years now, the Group's skills have broadened from manufacturing connectors and challenging micro-contact elements, to developing complex mechatronic assemblies, to customer-specific engineering and technical design services for all industries. In-depth application expertise led to strong partnerships in the automotive, home appliance, building technology and communications industries. Family-run in the third generation, the company has a global workforce of around 1,200. Subsidiaries in Europe, America and Asia form a dense sales network. In 2019, the Group's turnover totaled some Euro 129,3 m. Over 20,000 catalog and customized products are proof of the company's efficiency. www.lumberg.com – www.facebook.com/lumberg.homebase
