

Mission Statement of Lumberg [our self-conception]

Our Mission:

We connect people and technology with passion for innovative solutions.

Our Vision:

Lumberg is a family-run business that enjoys world-wide success. As a reliable partner, we contribute to our customers' achievements with innovative developments, customer-oriented solutions and high-quality products.

Our Corporate Culture

■ **Preamble**

Lumberg is a family-owned company steeped in tradition, whose shareholders identify with the company and its employees. To assure our entrepreneurial freedom and decision-making independence we focus on sustainable, profit-oriented growth.

■ **Business Relationships**

Our business relationships are customer-oriented and cultivate longterm partnerships that are mutually beneficial.

■ **Staff**

We show respect, tolerance and trust toward each other. Our activities are performance-oriented and shaped by entrepreneurial thinking. We support our staff members to reach our mutual objectives.

■ **Communication**

An open communication, commitment and fairness with and toward each other are essential elements of our cooperation.

■ **Technology**

We strive to maintain our know-how within our company's entire value chain, and to advance its development in line with cutting-edge technologies.

■ **Society**

We accept our community responsibilities within the regions in which we operate. We provide training opportunities and create jobs. Within the scope of our possibilities we act with the environment in mind and handle natural resources with the greatest care.
